RE: Lunch Pay Corrections and Back Payment Checks

TWU Local 250A Brothers and Sisters,

Be advised to check the Employee Portal for a paycheck with the following new pay category:

"RETRO PR"

Operator 20-minute lunches were systematically being short-paid on each and every lunch earned. This problem has been resolved, so that current and future lunch payments will be paid correctly.

With regard to back payments:

The MTA Payroll Department is in the process of issuing back payments for the amounts short-paid in the current fiscal year. All back payments and payment corrections will appear under the new pay category "RETRO PR".

Please contact me if you have any questions or concerns.

In solidarity,

A handwritten signature in blue ink that reads "Michael Dennis".
